PERSONAL PROFILE

I am a highly qualified heavy equipment operator with well-developed skills on Crawler Tractor, Excavator, Rubber Tire Backhoe, Rock Truck and Scraper.

I have certificates and training in Occupational Health and Safety, Environmental Monitoring and Occupational First Aid Level 3.

Additionally, I have experience on the oil/gas drilling rigs where I was responsible for training new employees in safe work practices and procedures.

I am seeking full time employment that will make best use of my skills and allow me to develop them further.
